and (6) AB1217H FIPG cartridges.**

WD NET PRICE \$ 49.90

**YOU MUST ORDER QTY. 1 OF PART# ABFPG1 AS SHOWN
ABOVE TO RECEIVE 6 TUBES AND 1 APPLICATOR**

AB1217H is a high performance, room temperature vulcanized (RTV) sealant commonly used as a form-in-place gasket (FIPG). AB1217H has high elongation, low modulus, good elasticity, is oil resistant and blow-out resistant after curing. Good examples of usage for AB1217H are timing covers, valve covers, and oil pans.
